# BACKGROUND

*The Catalina 34 MkII is a very popular and agile pocket cruiser with proven performance. Catalina Yachts are renowned for their roomy layout and lasting fit out and Panache is a superb example in impeccably good condition. She has been used predominantly in sheltered waters and has less than 1000 engine hours with regular servicing. Both interior and exterior show little to no signs of wear and tear you will be envy of other boat owners sailing this yacht.*

Launched in late 2000, Panache has recently undergone considerable re-fitting and upgrades over the past two plus years.

Her current owner has spent considerable investment fitting her out for cruising with the addition of all new standing rigging in 2017, new furler, new wind transducer, a bluetooth stereo system, all new canvas covers and many upgrades to her safety equipment.

Panache is a sleek and fast yacht through the water with a well maintained 35hp Universal engine with less than 1000 hours and fitted with a 3-blade - 0 2 cockpit dining. folding prop.

Panache can accommodate 4 guests in two cabins, with additional berths for 2 guests in the saloon. The aft cabin is extremely spacious and the entire yacht offers substantial head room in the main saloon.

There is one head and toilet with internal curtained shower. Power sources come from two batteries, a 240v inverter / charger. When berthed the yacht can be connected to shore power.

Panache was anti-fouled and polished in time for summer and is equipped with a stainless steel bbq for

# Interior

*The sleek interior is bright and comfortable with stylish blue suede upholstery. Fresh air and natural light flow through deck hatches and portlights to create a warm and homely atmosphere with optional deck hatch covers and blinds to block out sun or light if desired. The yacht has a Bluetooth stereo and was recently wired for digital TV.*

## SLEEPING ACCOMMODATION

Accommodation comprises two cabins - a V-berth forward and large master cabin aft of the galley under the cockpit which offers hanging locker storage and cupboards. A third sleeping option is available when the dining table is lowered to form a large double bed. The head (to port) has a toilet and shower with newly fitted electric macerator pump with holding tank. The shower cubicle is separated by a curtain for convenience.

## THE GALLEY

The L-shaped galley is in the middle of the yacht and offers good drawer and cabinet storage for comfortable liveaboard cruising with well appointed bench tops, top loading fridge-freezer, twin stainless sinks, pressurised cold water tap and a dedicated garbage disposal bin.

## NAVIGATION

Situated below to port is a dedicated nav station and chart table with VHF radio, battery monitors, electric bilge pump switch and usb charging ports. Instrumentation for wind, speed and depth are located on a fixed pedestal in the cockpit with newly fitted LED steaming, deck and anchor lights.

# On Deck

*Panache is very simple to handle with a fully battened main and single line reefing. Her standing and partial running rigging were replaced mid 2017. She is equipped with cruising and racing furling headsails. The mainsheet traveller is tucked away forward of the dodger so the entire cockpit is free of lines and rigging. Under sail she is fast, powerful yet very manageable short handed and promises a fast ride. A newly fitted dodger provides ample headroom, protection and excellent visibility.*

## COCKPIT LAYOUT

Catalina Yachts are renowned for offering space and comfort. A fixed table opens to provide cold storage with drinks holders fitted to the console. Additional seating aft of the cockpit allows for the whole family or group of friends to enjoy this space. The cockpit can be closed off while sailing but opens out to expose a swim/dive platform with easy access from a drop down ladder to the water. There yacht has a gas stainless steel bbq which can be mounted to the pushpit when in use. All canvas was replaced and includes wheel cover, spray dodger, bimini, infill, hatch, winch and boom bag covers.
